An act to amend Section 9 of the Plumas County Flood Control and Water Conservation District Act (Chapter 2114 of the Statutes of 1959), relating to water.

LEGISLATIVE COUNSEL'S DIGEST

SB 671, as introduced, Cox. Plumas County Flood Control and Water Conservation District: board of directors.

Existing law, the Plumas County Flood Control and Water Conservation District Act, establishes the Plumas County Flood Control and Water Conservation District and requires the Plumas County Board of Supervisors to serve ex officio as the board of directors of the district. The act requires the members of the board of supervisors to serve as directors on the board of the district without compensation.

This bill would authorize the board of directors, by resolution, to authorize each member of that board to receive compensation, subject to a specified limit, for performing duties as a director on that board.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.
